

AVS New Student Application Form for Grade 1-12

For Fully Enrolled Students (Students who attend AVS and no other school)

September 2021-June 2022 School Year

Registration opens on February 1, 2021.

Abbotsford Virtual School is proud to offer a variety of educational options, to fit the needs of many types of learners. In addition to offsite/home based programs, we offer blended learning options with one or two days onsite per week, with reduced class sizes. All programs provide complete BC Ministry of Education Curriculum and are overseen by a AVS teacher(s), who will work with you in meeting your child's educational goals. **Please note that a high level of daily parental support is required in these programs for students to be successful.**

- *We ask that families only register with AVS Fully Enrolled programs if they intend to commit to AVS for a minimum of one year, so that placement can be given to families who are looking for, and will thrive in our specialized programs.*
- *We cannot provide short term registration or support to students looking for a temporary distance based alternative due to Covid concerns or for other reasons. Please work with your child's current school if you have such concerns but are looking for a short-term solution, and you want to retain your child's spot at their current school.*
- *Abbotsford Virtual School Registration is open to any appropriately aged Abbotsford residents from all catchments. Out of district students may also register.*
